

**UG and Post- Graduates Laboratories and Equipment available:
Following instruments/ Equipment's are available at this section or conducting practical and research work:**

Sr. No.	Lab Instruments/ Equipments
1	Weighing balance 10 kg
2	Electron top pan balance
3	Utratech electronic balance
4	Electron top pan balance 10 kg
5	Electron top pan balance 01 kg
6	Electron top pan balance 300 kg
7	Meteorology charts
8	Soil sampling auger
9	Screw auger 35 mm
10	Post hole auger 150mm
11	Soil core sampler
12	Auger10 cm
13	ATC tube auger
14	Tensiometer
15	Gypsum block
16	Overhead projector
17	Electronic soil moisture meter
18	Leaf area meter
19	Electronic top pan balance
20	Flame photometer
21	Spectrophotometer
22	Hot air oven universal
23	Digital moisture meter
24	Water Analyzer
25	Other metrological instruments and farm implements etc.
