

Research papers published in conferences/seminars as full-length paper during 2021-22

Sr. No	Name (s) of authors	Title of the research paper	Title of the conference/ seminar	ISSN No.	Name of the organizing institute
II Dr. P. N. Karanjikar, Professor (CAS)					
1.	R.S. Gawande, P.N.Karanjikar and M.J.Patange	Influence of soil and foliar application of zinc sulphate and ferrous sulphate on growth and yield of sunflower (<i>Helianthus annus</i> L.)	3 rd International Conference on “Global initiatives in Agricultural, Forestry and Applied Sciences for food security, environmental safety and sustainable development (GIAFAS-2021)	978-93-5419-016-2	Agricultural & Environmental Technology Development Society (AETDS) U.S. Nagar, Uttarakhand, India
2.	B.N.Aglave, M.J.Patange, P.N.Karanjikar and L.P. Bandgar	Response soybean (<i>Glycine max</i> L.) Merrill varieties to different moisture conversion practices under rainfed condition	3 rd International Conference on “Global initiatives in Agricultural, Forestry and Applied Sciences for food security, environmental safety and sustainable development (GIAFAS-2021)	978-93-5419-016-2	Agricultural & Environmental Technology Development Society (AETDS) U.S. Nagar, Uttarakhand, India
3.	P.N.Karanjikar S.T.Rathod, M.J.Patange, and P.K. Waghmare	Effect of integrated nitrogen management on growth and yield of sweet sorghum (<i>Sorghum bicolor</i> L.)	Fifth International Agronomy Congress on “Agri-innovations to combat food and nutrition challenges”	---	Indian Society of Agronomy and PJTSAU, Hyderabad, Telangana
4.	A.K.Ghotmukale, M.J.Patange, P.N.Karanjikar and M.V.Shinde	Effect of integrated nutrient management on yield and economics of groundnut (<i>Arachis hypogaea</i> L.)	Fifth International Agronomy Congress on “Agri-innovations to combat food and nutrition challenges”	---	Indian Society of Agronomy and PJTSAU, Hyderabad, Telangana
III Ms. M. J. Patange, Assistant Professor					
1.	R.S. Gawande, P.N.Karanjikar and M.J.Patange	Influence of soil and foliar application of zinc sulphate and ferrous sulphate on growth and yield of sunflower (<i>Helianthus annus</i> L.)	3 rd International Conference on “Global initiatives in Agricultural, Forestry and Applied Sciences for food security, environmental safety and sustainable development (GIAFAS-2021)	978-93-5419-016-2	Agricultural & Environmental Technology Development Society (AETDS) U.S. Nagar, Uttarakhand, India
2.	B.N.Aglave, M.J.Patange , P.N.Karanjikar and L.P. Bandgar	Response soybean (<i>Glycine max</i> L.) Merrill varieties to different moisture conversion practices	3 rd International Conference on “Global initiatives in Agricultural, Forestry and Applied Sciences for food security, environmental	978-93-5419-016-2	Agricultural & Environmental Technology Development Society (AETDS) U.S. Nagar, Uttarakhand, India

		under rainfed condition	safety and sustainable development (GIAFAS-2021)		
3.	P.N.Karanjekar S.T.Rathod, M.J.Patange , and P.K. Waghmare	Effect of integrated nitrogen management on growth and yield of sweet sorghum (<i>Sorghum bicolor</i> L.)	Fifth International Agronomy Congress on “Agri-innovations to combat food and nutrition challenges”	---	Indian Society of Agronomy and PJTSAU, Hyderabad, Telangana
4.	A.K.Ghotmukale M.J.Patange , P.N.Karanjekar and M.V.Shinde	Effect of integrated nutrient management on yield and economics of groundnut (<i>Arachis hypogaea</i> L.)	Fifth International Agronomy Congress on “Agri-innovations to combat food and nutrition challenges”	---	Indian Society of Agronomy and PJTSAU, Hyderabad, Telangana
